RUNNING COSTS

The optimisation of running costs is always a priority for Peugeot Sport.

This information, which is key to our customers, remains one of the hardest to precisely establish as many factors come into consideration. Relying on the data we gathered during the thousands of kilometers of tests run by Peugeot 208 Rally4, we intend to give you figures as realistic as possible.

However, all figures listed below must be considered as informative. Their goal is to provide a general idea of Peugeot 208 Rally4 cost per kilometer.

Fluids are not included in the calculation.
